

**Preliminary Agenda, LaSpec-MATS-Collaboration Meeting  
18.10.2006, 14:00h**

- |   |   |   |
|---|---|---|
| 1.)   | Summary of the activities in the last 12 months and<br>Technical Report of the project  | 10min WN<br>10min KB                              |
| 2.)   | Status NUSTAR-LEB Building  | 10min KHB/MW                                      |
| 3.)   | Reports on the common components of LaSpec/MATS   | 10min CG  |
| 4.)   | Short reports on the individual components of<br>LaSpec: Transport Beamline, Collinear Spectroscopy,<br>beta-NMR, LD- RIS<br>MATS: Beamline, Mass separator, EBIS, Traps, Detectors<br>Gas catcher / inverse cyclotron  | 20min WN/CG/PC<br>20min OK/JC/AH<br>20min FH / GB |
| 5.)   | Short reports of the working groups, plans and needs (each 5 min)<br>Physics programs LaSpec<br>Physics programs MATS<br>Modeling, simulations, beam handling<br>Control System   | WN/PC<br>KB/FH/AR<br>WP<br>DB                     |
| Coffee break (16:00 – 16:30) with group photo |   |   |
| 6.)   | The Collaboration FAIR MoU  | 0.5-1h WN/KB                                      |
| 7.)   | Budget and future funding issues<br>(Infrastructures FP7)   | 30min WN/KB                                       |
| 8.)   | Organization of LaSpec / MATS<br>8.1) Creation of Collaboration Board (steering committee)<br>8.2) Election of spokesperson and deputy spokesperson<br>8.3) Project manager and Management Board<br>8.4) Technical Board and Technical Director<br>8.5) GSI Contact person<br>8.6) Low Energy Beamline Working Group – Initiation | 1h WN/KB  |
| 9.)   | Miscellaneous<br>- Invitation by FAIR Coordinator<br>- Projected beam time<br>- Report on the DESIR/SPIRAL2 project   | WN/KB<br>??<br>DL                                 |

Dinner will be provided at about 19:00.

Names:

AH – Alexander Herlert;	AR – Amlan Ray;	CG – Christopher Geppert;
DB – Dietrich Beck;	DL – David Lunney;	FH – Frank Herfurth;
JC – José Crespo;	KB – Klaus Blaum;	KHB – Karl-Heinz Behr;
MW – Martin Winkler;	OK – Oliver Kester;	PC – Paul Cambell;
WP – Wolfgang Plass;	WN – Wilfried Nörtershäuser
